## IT Club

The Information and Technology Club of St. Joseph's College, Darjeeling was started in the year 2005 with the students of the Computer Science and Applications Department as its member.

The club is student oriented and focusses on the holistic development of its member in the field of IT and Technology. The club is functioned by the students with various post that includes Youth Representative, President, Secretary and Group Leaders under the supervision of Club Coordinator Mr. Prasanta Mangar and Joint Coordinator Miss. Pranita Mukhia. The session of the club begins and ends with annual year of the college and each year it organises a number of events. As club firmly believes in educating its members beyond the scope of the syllabus, it has always encouraged its members to participate in various events, IT Tour and Excursion that it organises. By doing so IT Club tries to provide a platform where the students can have more exposure to the various companies and IT related organizations. The activities that club organises are mostly ones where the students are pushed beyond their limits so that they are given their needed exposure and chances at improving and displaying their talents and ideas. Present enrolled members are around 155.

Post lockdown the club has successfully organised IT Tour in April 2022, visit to Indian School of Anti Hacking Pvt Ltd and Kolkata where 62 students have participated. The club has also successfully organised three days Departmental retreat to Bungkulung with the theme ***"Having time for silence"*** where 130 students participated in the event.
