

## Management Club

Management Club was conceived and operated from the year 2009 to foster corporate perspectives among the BBA students of St. Joseph's College. The main focus is to enable the students to explore their managerial talents through thought-provoking activities. The ideology of the club basically revolves around the concept of corporate social responsibility. Currently, there are 145 members in the club. The coordinators of the club are Mrs. Meenakshi Pradhan Thakuri and Mrs. Sushma Gurung. Post-COVID lockdown, the club successfully conducted a management quiz competition in the department. An industrial visit to Cipla Pharmaceuticals was also organized and executed to enrich the practical experience of the BBA students. The picture below shows the investiture ceremony of the board members, which was convened on 11th November, 2022 and the industrial visit.
