

# INTER TEAM CHESS COMPETITION

**24/10/2022**

**St Joseph's College,**

**Darjeeling**

## *SUMMARY*

On 24<sup>th</sup> August, 2022 Team Photon from the SCIENCE AND RESEARCH CLUB conducted an Inter Team Chess Competition. The event was held in History Department with the strength of 20 people. The Arbiter thus present were Purav Pradhan (English Dept), Ronald (English Dept) and Simran (Chemistry Dept), also Mr Sailesh Chettri faculty of Chemistry Department attended the event.

Each team was represented by two participants and the fixture was made by Prerna Pradhan (Zoology dept) and Rishabh Baptish (Computer Science dept). Conclusion was made at the end by the cumulative scores thus having Team Photon as the 2<sup>nd</sup> runner up, Team Proton as the 1<sup>st</sup> runner up and Team Photon as the winner. Abhimanyu Sharma from Team Proton was awarded as the best player of the day.

The Chess Competition was a great success with the main purpose being that it challenges the mind, increases motor skills and critical thinking.
