

NCC REPORT 2022-2023

SUO Rinji Sherpa

In today's world, it's widely recognized that simply adhering to textbooks in college doesn't fully prepare students for the future. As the future pillars of the nation, students must be nurtured to become disciplined, dedicated individuals. Thus, educational institutions should offer ample extracurricular opportunities to foster decency and discipline among students. At St. Joseph's College, we take pride in offering 19 clubs, including the National Cadet Corps (NCC), one of India's largest and most robust national youth organizations, operating under the Ministry of Defence, Government of India.

As I assume into the esteemed role of Senior Under Officer (**President**) at St. Joseph's College, NCC, is both an honor and a source of pride, carrying significant responsibility. As we witness the NCC's journey through a transformative phase, it presents us with an opportunity to reassess and redefine our roles at the college. As seniors to the cadets, it is our duty to embrace this evolution wholeheartedly, recognizing the challenges it brings, and proactively adjusting our approach to empower our cadets to reach unprecedented levels of excellence.

It fills me immense pride to share that the batch of 2021-24 has etched an extraordinary record, raising the bar by producing an impressive 20 National Camp holders. From attending the prestigious ALL INDIA THAL SAINIK CAMP to RDC, Para Basic Course, ALL INDIA TREKKING CAMP, Mountaineering Expedition, RCTC, ALC, SSB Capsule and RCTC, they have left an indelible mark on every platform.

Attending National Camps on a national level signifies more than just personal achievements, it's about representing **St. Joseph's College** on a grand stage. As SJC cadets, we embody a spirit of reaching for greater heights, both individually and for our college, in line with our motto, "**Sursum Corda**"- lifting hearts upward.

"20 – National Camp Champions: Igniting Excellence and Inspiring Futures"

- SUO Pema Sherpa (Councillor): ALL INDIA GOLD MEDALIST IN MAP READING AITSC 2022

- CDT Sahil Rai: RDC 2024
- CDT Kunga Sherpa: RDC 2024
- CDT Ivan Jason Sherpa: SNIC 2024
- CDT Sujay Rai: Rock Climbing Camp 2023

In addition to our remarkable achievements, SJC cadets have further exemplified excellence through various endeavours. In the Independence Day Parade 2023, our cadets showcased their dedication and discipline by securing the **1st position in Drill (SD Contingent) and 2nd position in Drill (SW Contingent)**, proudly bringing two prestigious trophies to the place where they belong.

Furthermore, our commitment to social responsibility was demonstrated through the organization of Anti-Drug Rally at Chowrasta, where our cadets effectively raised awareness about the detrimental effects of drug abuse within the community. Additionally, our cadets selflessly volunteered their time and efforts to ensure the success of the inter-college sports event, exemplifying the spirit of teamwork and cooperation that defines NCC.

One of the **distinctive features of the St. Joseph's College NCC is the Promise Day Celebration**. This special occasion marks the induction of newly cadets into the organization, where they solemnly pledge their commitment to the ideals of the NCC. The event is characterized by a grand drill parade, vibrant cultural performances, and the recognition of outstanding cadets through awards such as the Best Cadet, Best Discipline Cadet and Best Drill. NCC Promise Day serves not only as a formal initiation ceremony but also as a celebration of camaraderie, discipline, and the shared values that defines the St. Joseph's College NCC Family.

In conclusion, I am assured of the significance of this report as a potent source of inspiration for both our cadets and readers.

Jai Hind..

“Glimpse of significant events”

NCC became champions again

A grand celebration for Independence Day was held at Lebong Ground with Mr. Anjul Chowhan (Chairman of GTA Sabha) as the chief guest inaugurating the hoisting the national flag. Students from all schools and colleges took

active participation and gave an excellent performance. The National Cadet Corps (NCC) team from St. Joseph's College took part in drill and parade achieving 1st position among senior division (boys) in drill and 2nd position among senior division (girls).
