Report
(2022-2023)

Brief Report on BBA Management Club INDUSTRIAL VISIT

Name of the Department: BBA Department

Venue: *Cipla Pharmaceutical company*, Sikkim

Date: 21st August, 2022

Objective of the Event:

The students of the Management Club, St. Joseph's College Darjeeling were given a golden opportunity to experience an event which was educational as well as fun. As the management club believes in learning in a fun way always sticks to the student's knowledge.

Brief Information about the Event:

The students were taken to the *Cipla Pharmaceutical company* located in Sikkim on the date of 21st August, 2022. There the students were exposed directly to the understanding of the management process in an organization. And were also provided with a brief knowledge about the production process which contained the know-how of the things that are important while producing a product, i.e., from the raw materials, to the assembly of the technology, to the packaging of the product.

The educational excursion was only for a day, in which a total of 41 students took part. After the excursion ended the students were asked about their experience, in which they showed a positive response and were excited to go on the next educational excursion if the chance appears.

Outcome of the Event

With this type of industrial exposure, the students could gain a better view and knowledge of how an industry works. This educational excursion helped the students to be more interested in the industry that can flourish even better. The

students gained new and exciting knowledge through the industrial visit that would not have been possible by just bookish knowledge within the four walls of a class.

Brief Report on BBA Management Club Quiz Competition

Name of the Department: BBA Department

Venue: Management Seminar Hall

Time: 1.00 pm to 3. 00 pm

Date: 27th September, 2022

Objective of the Event:

Quiz competitions provide an informative platform for the students to display their knowledge and awareness level. The main objective of this event was to make them aware of current affairs and improve their general knowledge while nurturing a healthy competitive environment for their self-development.

Brief Information about the Event:

The Management Club of the BBA Department organised an intra-department quiz competition on September 27, 2022, at the Seminar Hall of St. Joseph's College. The event was attended by students from the first, third, and fifth semesters. The event was conducted in the presence of Mrs. Meenakshi Pradhan (HOD of the BBA Department) and Mrs. Sushma Gurung (coordinator and teaching staff). The quiz masters of the event were Mr. Nitesh Sharma (teaching staff) and Mr. Prince Gupta (teaching staff). Three groups were created among the students who represented each semester. The programme lasted for two hours. The students actively participated in the event, and finally, after tough competition, 5th Semester was declared the winner of the event. The names of the winners are Adarsha Tamang, Sunny Dutta, Najnin Parveen, and Nihal Chhetri.

Outcome of the Event

It was a very informative and knowledge-enriching experience for both the participants and the audience. This type of event boosts the students' self-confidence and enables them to overcome their stage fright. The students are inculcated with the habit of updating themselves on current affairs along with their regular academic knowledge.

Brief report on Management Club's participation on college fete 2023.

Name of the department: BBA DEPT.

Venue: College campus.

Time: 10am – 3pm.

Date: 17th – 18th March, 2023.

Objective of the event:

The main focus of this event was on generating the fund for the club, that will help the club to grow financially strong and be financially secure for future events. This event also focused on bringing the light to our club, as the Management Club being a freshly reformed club after years of discontinuation. The event was also focused on having a fun experience for all students and having a fun collaborative activity with other clubs.

Brief information about the event:

The student council of St. Joseph's College, Darjeeling, organised a college fete on the date of 17th March, 2023 which was continued till 18th March, 2023. The event consisted of several fun gaming stalls and as well as food and beverage stalls.

On which our club was engaged in gaming activities. The games that our club was in-charge were: 1. Ping pong dash mania; & 2. Flash. The price for the coupons for both the games were kept ₹30 as decided by the student council. The club decided to keep the prize for the winners in the games were as chocolates and cash prize respectively. For the game Ping pong dash mania, the player had to hit the ball with the hammer that was rolled down through a tunnel, the player was given three chances to hit the ball and had to hit all the three balls to win the game. If any of the player did hit one out of three balls, the player was given a small chocolate as a consolation prize. The second game Flash consisted a game of cards where the player had to select a number between 1-12, in which the highest numbered card would win the game, thus, the player would win a certain amount of cash prize.

The event lasted for five hours on the first day and approximately four hours for the second. Officially selected volunteers from our club actively participated in and were extremely helpful for the efficient functioning of this event. Several other members of the club were also actively participating for the club. The selected games were really interactive and fun for the people.

Outcome of the event:

Through the help of this event, our club was able to revive our financial strength, that will help our club to function even better. Our freshly reformed club also got the chance to present ourselves in the public and have a fun interactive activity with other clubs and with students too. This experience will give us new ideas and strength to perform even better than before.

Brief report on Management Club Psychometric testing for managerial career Workshop.

Name of the department: BBA DEPT.

Venue: MR HALL

Time: 10am – 1pm.

Date: 12th May, 2023.

Objective of the event:

The focus of this event was for the students to know their psychometric behaviour that would assist the later while being in the corporate world. The workshop was mainly focused on:

1. Managerial potential search
2. Assessment of interpersonal skills
3. Assessment of leadership skills
4. Clarity in career selection

Brief information about the event:

The management club of BBA dept. conducted a psychometric testing for managerial career workshop in collaboration with the ISB&M. In the event students around 145 took part in the psychometric testing. The test was conducted by giving a sheet of paper with several different questions, where the students were told to write the answers from the given options and that best suited their thinking. The test, later revealed how a person's perception and thinking may affect them in the corporate world. The test also helped the students to know their strengths and weaknesses. The speaker professor also told the students to focus of the parts that are holding them back and to accept the changes that the students needed to be the best version of themselves. This way they can excel in their career.

Outcome of the event:

The students were able to understand themselves even better. Moreover, they were reintroduced with their strengths and weaknesses. And how they can overcome their weaknesses, that would help them to perform better in the corporate world. This workshop helped the students to get more prepared for their future and help them know about the industry that they are headed.
