

NCC REPORT 2023-2024.

Dr. Dhirah Brahman, Lt. 5th Bengal NCC

Preparing Future Leaders Beyond Textbooks

In today's dynamic world, it is widely acknowledged that relying solely on textbooks in college is insufficient to fully prepare students for the challenges of the future. As the future pillars of our nation, students must be nurtured into disciplined, dedicated individuals. To achieve this, educational institutions play a vital role in offering diverse extracurricular opportunities that foster character, decency, and discipline among students.

At St. Joseph's College, we take immense pride in hosting 19 active clubs, including the prestigious National Cadet Corps (NCC)—one of India's largest and most impactful national youth organizations operating under the Ministry of Defence, Government of India.

Assuming the esteemed positions of Senior Under Officer (President) and Vice President of St. Joseph's College NCC is both an honor and a profound responsibility. This leadership role comes at a transformative time for the NCC, offering us a unique opportunity to reassess, redefine, and elevate our contributions. As senior cadets, it is our duty to embrace these changes, overcome challenges, and empower our cadets to excel beyond limits.

The accomplishments of the 2023-24 batch exemplify this spirit of excellence, setting a remarkable benchmark for the future. It is with immense pride that we celebrate their extraordinary achievements, including participation in prestigious national events such as the All India Thal Sainik Camp (TSC), Republic Day Camp (RDC), Para Basic Course, All India Trekking Camp (AITC), Special National Integration Camp (SNIC), Mountaineering Expeditions, RCTC, Army Leadership Camps (ALC), and SSB Capsules. These cadets have not only earned recognition on a national stage but have also brought immense honor to St. Joseph's College through their exceptional dedication and performance.

National-level participation is more than just a personal milestone; it is a reflection of the collective spirit of St. Joseph's College. Our cadets embody the ethos of striving for greater heights—both as individuals and as representatives of their alma mater. Guided by our college motto, "Sursum Corda"—lifting hearts upward—we continue to inspire excellence and ignite brighter futures.

Appearing SNIC(2024)

•SUO Raksha Pradhan

•CDT Prayash Sarki

Exemplifying Excellence Beyond Achievements

In addition to our remarkable accomplishments and participation in national-level events, SJC cadets have continued to exemplify excellence through various endeavors. During the Independence Day Parade 2023, our cadets showcased their dedication and discipline, securing the 1st position in Drill (SW Contingent) and proudly bringing home a prestigious trophy—an achievement that reflects their unwavering commitment and hard work.

Our commitment to social responsibility was also evident in the organization of an Anti-Drug Rally at St. Joseph's College. Through this impactful initiative, our cadets successfully raised awareness about the harmful effects of drug abuse, demonstrating their role as catalysts for positive change within the community. Additionally, they selflessly volunteered their time for various causes, embodying the spirit of teamwork, cooperation, and service that defines the NCC.

A unique tradition of the St. Joseph's College NCC is the Promise Day Celebration, a special occasion that marks the induction of newly enrolled cadets into the organization. On this day, cadets solemnly pledge their commitment to the ideals of the NCC, embracing the core values of discipline, unity, and service. The event features a grand drill parade, vibrant cultural performances, and the recognition of outstanding cadets through awards such as Best Cadet, Best Discipline Cadet, and Best Drill Cadet. Promise Day is not merely an initiation ceremony; it is a celebration of camaraderie, discipline, and shared values that define the St. Joseph's College NCC family.

In conclusion, we are confident that this report will serve as a powerful source of inspiration, motivating our cadets and readers alike to strive for excellence and uphold the values that NCC represents.

Jai Hind!

“Glimpse of significant events.”
