

## ***Independence Day is celebration***

Independence Day is celebrated every year on the 15th of August to commemorate India's independence from British rule in 1947. It is national holiday and a day of great significance for every Indian. The day is celebrated with great enthusiasm, patriotism, and unity across the country. On this day, the Prime Minister of India addresses the nation from the Red Fort in Delhi. It is celebrated with great enthusiasm and patriotism throughout the country.

The day begins with the hoisting of the national flag by the President of India at the Red Fort in Delhi. This is followed by a speech by the Prime Minister addressing the nation on various issues related to the country and its development. The national anthem is also sung to mark the occasion. The entire country is decorated with the tricolour, and people dress in traditional Indian attire. Patriotic songs and slogans can be heard everywhere, and the atmosphere is filled with a sense of unity and pride.

Apart from the official celebrations, people also organize their own events such as flag-hoisting ceremonies, cultural programs, and parades. Schools and colleges organize various competitions and cultural programs to mark the occasion.

**On this day of Independence day Department of Computer Sc and Application also organized a small program in the Department and flag was hosted followed by the refreshment with the faculty members and the students on 15<sup>th</sup> August, 2022.**

Independence Day is not just a day of celebration but also a day of remembrance. We remember all the freedom fighters who fought and gave their lives for the country's freedom. We also remember the sacrifices made by our soldiers who protect our borders and keep us safe. Independence Day is a day of great significance for every Indian. It reminds us of our glorious past and encourages us towards a bright future. **It is a day to celebrate our freedom, our diversity, and our unity as a nation. Jai Hind!**
