May 5, 2026

Ref No: ANRF/ECRG/2025/001221/PMS

Advertisement for the post of Project Associate-I under ANRF (ANRF - PM ECRG) funded Project

Applications are invited from eligible candidates for the position of **Project Associate-I (One position)** in the research project entitled: "*Dynamical Suppression of Anomalous Transport in the Quark-Gluon Plasma: A Holographic Resolution to the Isobar Tension*" under the Principal Investigator, Dr. Nishal Rai, **Department of Physics, St. Joseph's College, Darjeeling** and is funded by ANRF.

Designation	Remuneration	Duration	Essential Qualification	Remarks
Project Associate-I	Rs. 30,000/- per month + 10% HRA.	6 months (extendable up to 3 years)	M.Sc. Physics (at least 55% Marks)	Candidates with experience in the field of the project and good knowledge of numerical methods for solving Partial Differential Equation will be preferred.

Application Guidelines and Terms

- Candidates must submit their expression of interest, academic vitae, permanent and correspondence address, names of father and mother, telephone number and e-mail address, and self-attested copies of certificates (X, XII, UG, PG, NET/GATE (if applicable)) via email at: rainishal507@gmail.com. In the subject of the mail, please mention "Application for Project Associate-I (ANRF - PM ECRG)". All documents must be compiled into a single PDF file.
- The application should also include a statement of purpose (not exceeding one page) and highlight relevant research experience.
- The last date of receipt of application is **15 May 2026**.

- The appointment is purely temporary and co-terminus with the project.
- The shortlisted applicants will be informed via Email/Phone to attend the interview in person (Offline).
- No TA/DA will be paid to the candidates for attending the interview.
- Proficiency in both spoken and written English is essential.
- In the event of any dispute arising from the shortlisting process, the decision of the College shall be final and binding on the applicant.
