

REPORT ON CAREER ORIENTATION PROGRAMME BY SAI EDUCATION SERVICES.

Name of Event:

Career Orientation Programme by Sai Education Services in collaboration with Placement and Career Guidance Cell, St. Joseph's College, Darjeeling

Organised by: Sai Education Services, Siliguri

in collaboration with the Placement and Career Guidance Cell, St. Joseph's College, Darjeeling

Date: 12th November 2025

Venue : College Lawn, St. Joseph's College, Darjeeling

Invited : Students from the 5th Semester of St. Joseph's College

Number of Participants: 33

Number of Volunteers: 7

Number of Resource Persons: 8 (Representatives from RIIM Pune, DBU, Sai Education Services, IZEE, and Regional College Bangalore, among others)

Aim of the Programme:

The aim of the Career Orientation Programme was to provide students with the opportunity to interact directly with representatives from reputed colleges and universities. The event aimed to guide students about admission procedures, scholarship options, and career-oriented courses, enabling them to make informed decisions regarding their higher education and professional development.

Key Points Covered:

Interactive career counselling through institutional information tables.

Guidance on available courses, scholarships, and admission criteria.

One-on-one discussions between students and college representatives.

Insights into industry-relevant and skill-based programs.

Encouragement for students to explore educational opportunities across India.

Report:

The Career Orientation Programme was successfully organized by Sai Education Services, Siliguri, in collaboration with the Placement and Career Guidance Cell of St. Joseph's College, Darjeeling. The event was held at the college lawn and provided a relaxed and engaging environment for students to learn about higher education possibilities.

Representatives from RIIM Pune, DBU, IZEE, Regional College Bangalore, and other renowned institutions interacted with students at their respective tables. Students were able to ask questions, seek advice, and collect brochures containing information about various courses and scholarship programs. The personalized interaction gave students valuable exposure to the current academic and career landscape.

Conclusion:

The Career Orientation Programme was a meaningful initiative that offered 5th semester students of St. Joseph's College valuable guidance on higher education and future career prospects. With 33 participants and 8 resource persons, the event proved to be highly informative and beneficial.

The programme concluded on a positive note, with appreciation from both the students and the visiting representatives. It stood as a successful collaboration between Sai

Education Services, Siliguri, and the Placement and Career Guidance Cell of St. Joseph's College, Darjeeling, effectively contributing to students' career awareness and goal planning.
