ACKNOWLEDGEMENT

The present study which was conducted in Darjeeling hills. The dissertation which I have prepared would not have been completed without the help of some individuals. I would like to extend my heartfelt gratitude to those who have helped me with my dissertation work. I would like to thank the entire sociology department of St .Joseph's College for giving me an opportunity to work on this topic .I'm very much grateful to Dr.Sourajit Roy(HOD), Mrs Sushma Gurung Ghose, Mr Ugen Dukpa, Mr. Jason Moktan and Dr. Shristi Chettri for helping me in doing this research project.

Lastly I would like to thank the people of Darjeeling hills, for their kind support and co-operation without which it could not have been possible for data collection. Inspire and their daily schedule, they were kind enough to give their valuable time imparting requires information.
