## Notice

As we begin the **Academic Session 2025–2026**, our focus is going to be on holistic development through Head, Heart, Hand, and Health- nurturing intellect, empathy, skills, and wellness. This balanced approach aims to shape well-rounded individuals ready for modern challenges. Let's create a dynamic, nurturing space for meaningful learning and growth.

**Please note the following:**

### **1. Students of 3rd and 5th Semester**

Students of the 3rd and 5th semesters are informed that classes will commence on **28th July 2025**. Plan your travel to ensure timely arrival, as late reporting may lead to attendance shortages. As per University regulations, students with insufficient attendance will not be permitted to appear in the University Examinations. Therefore, it is mandatory to be present from the first day of class.

### **2. Documents verification for 1<sup>st</sup> Semester students (Session 2025-2026)**

The document verification for 1st Semester students will take place in the respective departments starting from 9:00 AM on the **28th and 29th of July, 2025**.

### **3. Induction Programme for 1st Semester Students**

All newly admitted 1<sup>st</sup> Semester students are informed that the Orientation Program will be conducted as per the schedule and venue given below. This program is designed to help students transition smoothly into college life, understand academic expectations, and become familiar with campus resources, faculty, and peers. **Attendance is mandatory**, and students are expected to be present for the entire duration of the orientation.
