

“Innovision” at Salesian College, Siliguri: A Showcase of Musical Talents

21 October 2022

The annual musical extravaganza, Innovision, held at Salesian College, Siliguri, was a captivating celebration of musical talent and creativity for the music club. Students from various colleges, including St. Joseph's, Darjeeling, showcased their skills and competed in a range of competitive co-curricular events.

St. Joseph's, Darjeeling, made a significant mark in the event with their participation in several categories. The college's music club's musical prowess was on full display as they competed fiercely in events like the Battle of Bands, Instrumental Music, Solo Singing (both Western and Indian), and more. Their commitment to excellence and dedication to music were evident throughout the event.

Among the standout moments, St. Joseph's secured a triumphant victory in the Instrumental Music category (Sangay N.G. Dukpa), a testament to their mastery of musical instruments and harmony. Additionally, their talent shone brightly in the Western Solo Singing category, where Simran Rai showcased exceptional vocal prowess, leading to a well-deserved first-place win.

The college's collective efforts and musical camaraderie were particularly evident during the Battle of Bands competition. While facing stiff competition from other talented participants, St. Joseph's secured an impressive third-place finish, demonstrating their ability to come together and deliver an electrifying performance with their unique blend of Indo-Western Fusion.

In conclusion, St. Joseph's, Darjeeling, left an indelible mark on Innovision at Salesian College, Siliguri. Their achievements in the Instrumental Music and Western Solo Singing categories, as well as their commendable performance in the Battle of Bands, showcased the college's commitment to musical excellence and their ability to shine on a grand stage. The event provided a platform for students to celebrate their passion for music, connect with fellow enthusiasts, and create lasting memories.
